Extension of Unpaid Leave Option  
October 20, 2022

During the 2022-2023 Academic Year, contract faculty members may opt to take a full or partial unpaid leave subject to Article 18.06. The faculty member's salary will be prorated by the amount of the unpaid leave, and the faculty member will be eligible to continue full benefits by paying the full premium cost on a pro-rata basis. Faculty members who go on unpaid leave must notify their department chair and supervising administrator and submit a written request to the appropriate Vice President for recommendation to the Board of Trustees.
