- D. Election Procedures:** Before a chair election, the department, in consultation with the supervising administrator, will develop a written election procedure with dates and processes for nominations, ballot distribution, and term of office. This procedure will be developed at least two (2) weeks before the election and distributed to all department faculty members and the District:
1. All members of the department electorate will be eligible to vote.
 2. Balloting will be confidential. Ballots will be either paper or electronic copy. Proxy votes will not be accepted.
 3. Runoff elections will be used as needed to achieve a majority decision.
 4. The supervising administrator will tally the votes and certify the election.
- E. Appointment in Lieu of Chair Election:** If, after reasonable effort, a chair is not elected, the Vice President of Academic Affairs (VPAA) may, at his/her discretion, appoint a consenting contract faculty member from the department, a consenting contract faculty member from a different department, or an administrator as chair.

13.06 CHAIR VACANCIES: A chair position will be considered vacant if the chair resigns, becomes unable to complete the term of office, is recalled by the department, or removed by the VPAA. In the case of a chair vacancy, the provisions in sections 13.05.D-E will apply to the election or appointment of a new chair. If the chair position is vacant after June 1, and no election to replace the chair has been completed, then the VPAA may appoint a consenting regular faculty member to act as chair, as necessary, until the beginning of the next academic year.

- A. Absence of One Semester or Less:** If the chair is absent for a period of one (1) semester or less due to an approved leave, such as medical leave, or sabbatical leave, a temporary replacement will be elected by a majority vote of those members of the department electorate who cast votes, in accordance with the guidelines set forth in 13.05.

13.06.B. Absence During the Summer: If a chair elects not to serve during the summer, s/he must notify the VPAA and identify a substitute chair, subject to VPAA approval.

C. **Resignation:** A chair may resign the chair position before the end of the current chair term of office by notifying the supervising administrator in writing of the effective date of resignation. A special chair election will be completed and certified within twenty (20) academic calendar instructional days of the written resignation notification.

D. **Recall by Department Faculty:** At the written request of 30 percent of the department electorate, the supervising administrator will convene a meeting of the department members for a confidential recall vote. If the majority of the department electorate vote to recall the current chair and the supervising administrator certifies the recall vote, then the current chair will be removed from the chair position at the time of the vote. A special chair election will be completed and certified within twenty (20) academic calendar instructional days of the recall.

E. **Removal by District:** The VPAA may conclude, on the basis of direct knowledge and in the best interests of the District and the faculty, that the current chair should be removed from the chair position. The removal of a chair by the District will proceed as follows:

1. The supervising administrator will meet with the chair and request the chair to resign in a timely manner. At the request of the chair, this meeting will be confidential.
2. If the chair chooses not to resign in a timely manner, the supervising administrator will convene a meeting of the department members and present the District's reasons for removal, unless those reasons require confidentiality in Board Policy, contract, regulations, or laws. Any department member, including the chair, may make statements at this meeting. The VPAA may elect to remove the chair (effective immediately) from the chair position within one (1) week of this meeting. A special chair election will be completed and certified within twenty (20) academic calendar instructional days of the removal.

F. **Adjustment of Load:** In the event of a resignation, recall, or removal by the VPAA, the chair reassigned time will end and the chair's load will be adjusted accordingly.

13.07 COMPENSATION AND REASSIGNED TIME

A. **Chair Reassigned Time:** The District will provide reassigned time for chairs for the academic year 2022-2023 according to the formula in Table 13.1. This calculated reassigned time is specified in Appendix 4 of this Agreement.

2. The reassigned time for a chair may be adjusted based on the provisions of paragraph 13.04.B and section 13.07.B.
3. The reassigned time for chairs for academic year 2023-2024 and thereafter will be negotiated.
4. A chair will be compensated for performing approved Department Chair Duties (13.03.A-B) that exceed contractually determined reassigned time. To be eligible for such compensation, the additional tasks and hours must be approved in advance by the supervising administrator and VPAA; the chair will be compensated at the base hourly rate. If the duties are not approved, the chair may decline to perform them without prejudice. A Personnel Form and timesheet are required.
5. The reassigned time for chairs for academic years 2020-21 and thereafter will be negotiated.

B. Coordinator Reassigned Time: The District will reasonably and fairly compensate coordinators with reassigned time or a fixed number of hours based on the workload of the assignment.

1. The District may provide up to 50 percent of the coordinator’s compensation for reassigned time by redirecting chair-reassigned time in that department for those ancillary chair duties that are assigned to the coordinator (see section 13.03.B).

13.07.B. 2. A coordinator will be compensated for performing approved Coordinator Duties (13.03.B-C) that exceed contractually determined reassigned time. 3. In addition to chair compensation (see section 13.07.A), the District will compensate the chair for the coordinator assignments that are assigned and performed by the chair.
4. During AY 2018-19, the District and AFA will gather CTE coordinator workload data to inform future negotiations about fair and reasonable time for CTE coordinators. CTE coordinators will keep a weekly log citing specific CTE coordinator tasks and the number of hours spent on each task from August 17, 2018 to May 26, 2019. CTE coordinators will forward to the District and AFA the complete fall log by December 31, 2018 and the spring log by June 1, 2019.
- C. Delegation of Duties:** The department chair may, in writing, delegate specific chair job duties to a particular faculty member for a specific period of time and allocate a reasonable amount of chair-reassigned time to that faculty member for that period of time. This action may only occur with the consent of the faculty member, the approval of VPAA, and the review of AFA. The allocation will reduce the chair's reassigned time by the equivalent amount. Chair-reassigned time will not be used for coordinator duties other than as specified in paragraph 13.07.B.1.
- D. Chair and Coordinator Work Outside the Fall and Spring Semesters**
1. For summer term, chairs will be compensated for up to twelve (12) hours for department business, and up to seven and one-half (7.5) hours per FTEF of summer term faculty assignments for summer term administration.
2. When the District requires chairs to perform duties outside the fall and spring semesters, and beyond the reasonable and typical workload for that time period, the District will compensate the chairs accordingly.
3. When the District requires coordinators to perform duties outside the fall and spring semesters, the District will compensate the coordinators accordingly.
4. Compensation specified in paragraphs 13.07.D.1-3 will be at the base hourly rate and may only occur with the prior approval of the VPAA.

13.08 CHAIR AND COORDINATOR FEEDBACK PROCEDURE: Chair and coordinator feedback is a formative process intended to give the chair and coordinator feedback for self-reflection and improvement as well as to recognize commendable performance.

A. Feedback from Department Faculty, Supervising Administrator and Others

1. The VPAA, AFA, and faculty co-chairs of DCC/IM will approve a "*Department Chair Feedback Instrument*" form.
2. The VPAA will furnish the approved form to all faculty members, contract and adjunct, who have faculty assignments in the department in any term of the current year. The forms will be distributed by the end of the eighth week of the spring semester and collected in a timely manner with respect to the deadlines in paragraph 13.08.B.1-2.
3. Chairs will receive feedback each year in which they serve. The VPAA must approve in writing any exceptions to this requirement. Coordinators will receive feedback on an as-needed basis as determined by the supervising administrator in consultation with the chair. The feedback will focus on the chair's performance with respect to chair job duties (see section 13.03).

- 13.08.A. 4.** In addition to those individuals specified in paragraph 13.08.A.2, the chair (or coordinator) and supervising administrator, by mutual consent, may specify District employees or community members who have direct knowledge of the chair's (or coordinator's) performance, such as classified staff, administrators, other faculty members, or advisory committee members, to provide feedback.

B. Discussion of Feedback

1. The VPAA will compile a summary of the returned, complete forms by the end of the spring semester. Those submitting feedback will remain anonymous.
2. The supervising administrator will confer with the chair (or coordinator) prior to the end of spring semester. The supervising administrator will also share his/her feedback on the chair's (or coordinator's) performance either verbally or in writing, separate from the feedback summary.
3. No documents from this process will be placed in a faculty personnel file or may be used in a faculty evaluation in any manner. The District will not retain any documents or other written information from this process after the current term of the chair expires.
