Special Expertise Addendum

Course or Allied Service	**Brief Rationale**	**Criteria** The criteria will be relevant, objective, verifiable and reasonable.
CS 84.26 – Project Management for IT Professionals	It is imperative that an instructor teaching project management for IT professionals has sufficient current experience. This is also a CompTIA requirement.	Must have either (1) a current CompTIA Project+ certification (or equivalent such as Project Management Professional - PMP) and minimum three (3) years experience Information Communication Technology (ICT) project management related work in the past five (5) years, OR (2) taught an equivalent course at an accredited college within the last 3 years.
CS 101 – Intellectual Property	To teach intellectual property, an instructor must have extensive current knowledge of the field.	Must have either (1) 5 years of work experience requiring use of the course content within the last 10 years, OR (2) taught an equivalent course at an accredited college within the last 3 years.
CS 110A - Programming Concepts	It is imperative that an instructor teaching programming has sufficient current experience.	Must have either (1) a bachelor's degree in Computer Science, Computer Information Systems, or equivalent from an accredited college or university, OR (2) worked as a full-time computer programmer for at least 5 of the last 10 years, OR (3) taught a computer programming course at an accredited college within the last 5 years.
CS 176.12 – Applied Drone Projects	To teach drone piloting, an instructor must have extensive knowledge of the program along with current FAA certification.	Must have either (1) 5 years of work experience requiring use of the course content within the last 10 years, OR (2) taught or passed the prerequisite course within the last 5 years. Must also hold current FAA UAS Remote Pilot certification.
CS 181.11 - Introduction to Virtualization and Cloud Computing	It is imperative that an instructor teaching virtualization and cloud computing has sufficient current experience. This is also a CompTIA requirement.	Must have either (1) 5 years of work experience requiring use of the course content within the last 10 years, OR (2) taught or passed the prerequisite course within the last 5 years. Must also hold current FAA UAS Remote Pilot certification. Must have either (1) a current CompTIA Cloud Essentials+ certification (or equivalent such as AWS Certified Cloud Practitioner or Azure Fundamentals) and minimum three (3) years experience Information Communication Technology (ICT) virtualization and cloud related work in the past five (5) years, OR (2) taught an equivalent course at an accredited college within the last 3 years.
CS 181.43 - Programming for Cyber Security	It is imperative that an instructor teaching programming for cybersecurity has sufficient current experience. This is also a CompTIA requirement.	Must have either (1) a current CompTIA PenTest+ certification, or equivalent, and minimum three (3) years experience Information Communication Technology (ICT) cybersecurity related work with Kali Linux in the past five (5) years, OR (2) taught an equivalent course at an accredited college within the last 3 years.
GD 15 - History of Graphic Design	Instructor must have the skills and education necessary to properly teach students the curriculum for this course.	Must have either (1) taught the class curriculum at an accredited college or university within the last 5 years, or (2) successfully completed a college course in Art History or History of Graphic Design.
GD 20 - Intro to Typography	Use of Adobe Illustrator or InDesign is integral to the course curriculum.	Must have either (1) taught the class curriculum at an accredited college or university within the last 5 years, or (2) demonstrated proficiency in Adobe Illustrator or InDesign by passing the ACA (Adobe Certified Associate) exam in Illustrator or InDesign or (3) have taught or passed an intermediate college-level course in Adobe Illustrator or InDesign within the last 5 years.
GD 51 - Intro to Graphic Design	Adobe Photoshop is an integral part of the course curriculum.	Must have either (1) taught the class curriculum at an accredited college or university within the last 5 years, or (2) demonstrated proficiency in Adobe Photoshop by passing the ACA (Adobe Certified Associate) exam in Photoshop or 3) have taught or passed an intermediate college-level course in Adobe Photoshop within the last 5 years.
GD 53 - Tech in Illustrator	Adobe Illustrator is an integral part of the course curriculum.	Must have either (1) taught the class curriculum at an accredited college or university within the last 5 years, or (2) demonstrated proficiency in Adobe Illustrator by passing the ACA (Adobe Certified Associate) exam in Illustrator or 3) have taught or passed an intermediate college-level course in Adobe Illustrator within the last 5 years.
