

AFA Report to the Board of Trustees, 8/8/23, AFA President, Sean Martin

President Battenfeld, Trustees, President/Superintendent Garcia, Colleagues and other members of the community...

I'll begin by extending a welcome to our new Student Trustee, Logan Warren. Thank you for serving on the Board and for your representation of Students' interests.

I also want to again welcome Dr. Garcia to SRJC. I assume I speak for most in saying I'm super excited to start a new chapter in the evolution of our beloved institution with you at the helm of our Administration.

Though I've been out and about this summer, The AFA Cabinet looks forward to meeting with each of you at a mutually agreeable time.

To the rest, I want to extend a warm welcome back to a new semester of learning.

At AFA we're looking forward to another great year of partnership with our District Colleagues in negotiations. We greatly value the relationship we've built together over the past several years.

As we've often stated, and will continue to emphasize, we believe firmly in the principles that Faculty Working Conditions are Student Learning Conditions; and that Union Work is Equity Work.

Thank you for your time.
