## Letter of Understanding All Faculty Association and the Sonoma County Junior College District

### **Independent Study ("49" & "98" Courses)**

March 4, 1996

Typically, while department chairs or program coordinators are the instructors of record for independent study courses ("49's" & "98's"), other faculty volunteer to work with students in the development of the course contract, supervision of coursework, and evaluation of the student.

AFA and the District agree that working with a student in this capacity is a strictly voluntary activity, does not involve extra pay, carries no load, and therefore does not count in the calculations to determine whether a faculty member is associate, temporary, or probationary.
